**CFES  
PRESIDENT'S MEETING**

**DELEGATE PACKAGE**

**UNIVERSITY OF BRITISH COLUMBIA -  
OKANAGAN**

# WHAT IS PRESIDENT'S MEETING?

The CFES President's Meeting is an retreat-style gathering between the CFES officer team and its 53 member engineering societies. Every Fall, this meeting brings together engineering student leaders from across Canada to discuss, engage, and share ideas and experiences. This meeting serves as an introduction to the CFES and a chance to deeply understand your role as a member and stakeholder of the organization, a chance to network with fellow engineering societies, informational sessions, and preparation for Congress.

# **DELEGATE FEES**

Registration is \$125+5% GST for the first delegate and \$175+5% GST for additional delegates.

## **CHECK IN**

When you arrive on campus delegate registration will be conducted in the UNC building in the Student Union Boardroom (UNC 105). Please see the attached map and feel free to text or call either PM Chair if you need extra directions once on campus (For phone numbers please reference the "Contact Us" page in the package).

We will have plenty of space to safely store your belongings, including alcohol, where registration is occurring, however we ask that delegates please refrain from consuming open alcohol while on campus. When you land in Kelowna if you would like to purchase alcohol there is a liquor store in the plaza across from the airport on the way to campus.

As always if there are any questions or concerns please reach out to the PM team and we will be more than happy to help!

# PACKING LIST

As this is a retreat style conference, we encourage delegates to bring comfortable casual clothes for sessions.

Please also bring a pillow and sleeping bag. There will be night events every evening and traditionally delegates sport school spirit clothing. **Additionally, there will be a Canadian theme night and we encourage delegates to wear red and white for the evening event!** Nice to have items include swimsuit and school swag such as patches to trade with other delegates.

*Historically Kelowna weather ranges from 25-20 degrees in the day and 10-8 degrees overnight at the end of September so keep that in mind will packing.*

# ACCOMMODATIONS

Delegates will be staying at Camp Hatikvah located just outside of Kelowna. Cabins are heated and there are gender neutral washrooms available on the grounds. If there are any accessibility concern that you may have please feel free to reach out to our organizing team and we will be more than happy to assist you.

If you usually need a large quantity of food, we recommend that you bring additional snacks. Three meals a day will be provided, but we understand that that may not be enough for those with a large appetite.
